  3. Move: Not Engaged, Move straight at the Target, avoiding Agility Checks unless they are the only way.
  4. Cast: Use its Spells and Abilities on the Target, else the closest Hostile unit in Line-of-Sight and range
  5. Ranged: Not Engaged, shoot the Target, else the closest Hostile unit in Line-of-Sight and range.

OTHER

- Retreating: Moves to the closest board edge. Removed on reaching it.
- Triggering Unit: Picked up the Treasure that triggered the Event.
- Intercepts Engages made against other Neutral Units.

If both players are Aligned with the Blight Prophet or Inquisitor, use their Event Table instead.

Equipped (already in stats): Staff

SKILLS

Heroic
If this unit would ever be Incapacitated by a Ranged Attack, it is Stunned instead.

High Mage
The High Mage has the spells listed on his Spells card. The spells are all difficulty 10 for the High Mage.
